<sup>1</sup> Discretionary Overdraft Privilege coverage is provided at the Bank's sole discretion and can be suspended at any time without notice due to improper management of your account. Reasons for revocation include, but are not limited to: returned deposited items, excessive overdrafts, repeated continued overdraft periods, suspected fraud, or any other activity we deem to be inconsistent with our overdraft practices. All fees are included as part of your daily limit. A maximum of three Overdraft Charges may be charged to an account per business day.

<sup>2</sup> Bank pays overdrafts at its discretion and reserves the right not to pay. Any negative account balance caused by overdraft(s) and related fee(s) must be paid and the account balance brought to zero or positive immediately. All fees are included as part of your daily limit. The Bank will not pay overdrafts if you are over your limit. A maximum of three Overdraft Charges may be charged to an account per business day.

<sup>3</sup> By choosing to opt out of Discretionary Overdraft Privilege, you are instructing us to (where possible) decline or return any transaction that would overdraw your account. If you have previously opted in

to *OKTOPAY*, and at a later date have chosen to opt out of *OKTOPAY* (but not Discretionary Overdraft Privilege), you are instructing us to (where possible) decline or return any ATM or Debit Mastercard transaction that would overdraw your account. In either event, your account will still be subject to the standard overdraft fees (other than for ATM and Debit Mastercard transactions). All fees and charges are due and payable immediately.

<sup>4</sup> This charge is reduced to \$5.00 for deposit accounts that you have elected for coverage under the Massachusetts "18/65 Law".
